

STRATFORD SCHOOL LIBRARY

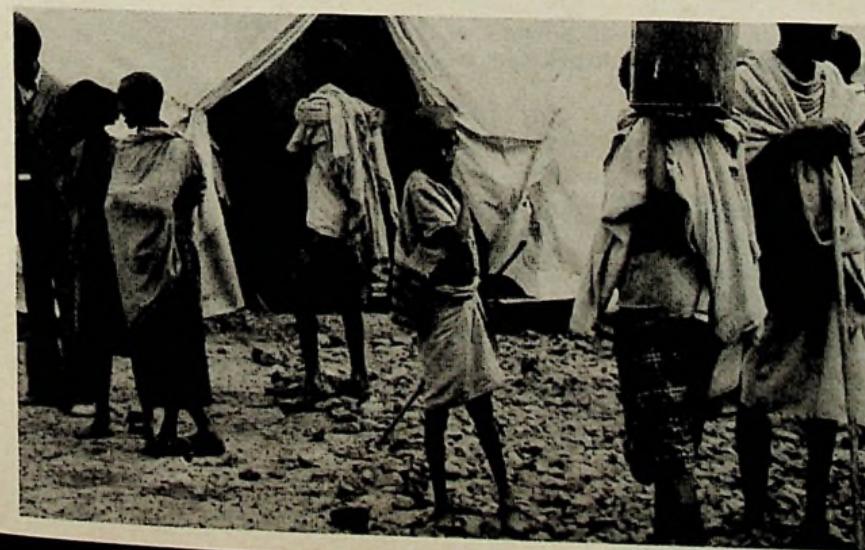

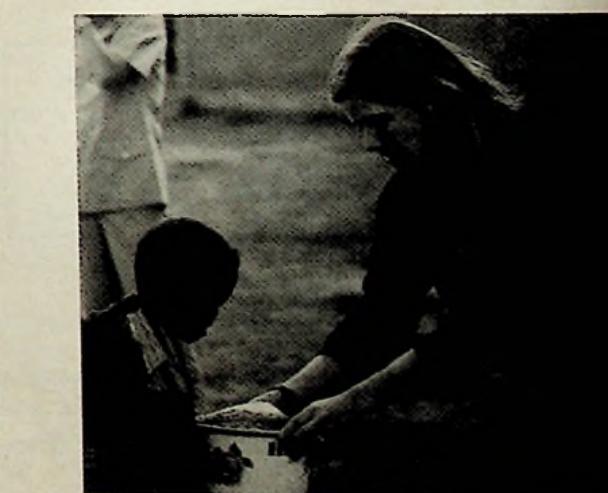

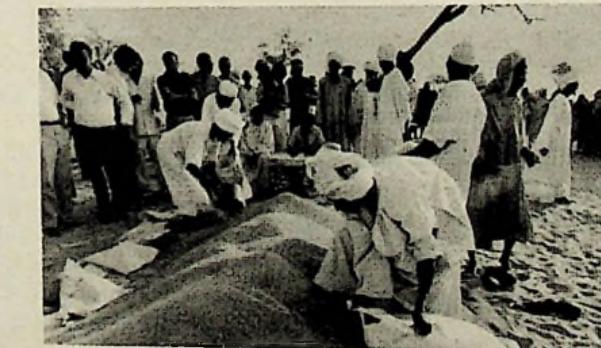

THE STRATFORD WAY 1984-85

2007.4.14

Dedication

We'd like to dedicate this yearbook
to all the starving people of Ethiopia,
in hope that their misfortune will be
overcome in the near future.

Thank you

PRINCIPAL'S MESSAGE

Congratulations to the Yearbook Committee for putting this book together to help you remember your year at Stratford.

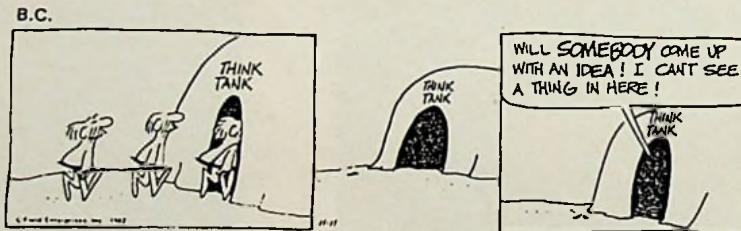

The efforts of others, on our behalf, are always appreciated, and the services they render help to make our lives more full and enjoyable. Sometimes, we look at people who make such contributions and wish that we, too, could be like that or be part of a cause. Perhaps we sell ourselves a bit short.

You also have the opportunity to contribute whether as students, committee or team members, student council executive or holders of part-time jobs. The service you give and how well you are received depends on you and your effort. You all have potential. Remember, great people are ordinary people with extraordinary amounts of determination.

May you meet the challenges and opportunities ahead with that determination.

R. N. DAVIDSON
Principal

ASSISTANT PRINCIPAL'S MESSAGE

Would you believe it, I'm almost at a loss as to what to say!

Seriously, I hope that the learning experiences that we have shared over the past few months will benefit you in the many years to come. Good luck in all your endeavors.

D. W. MELNYK
Assistant Principal

PRESIDENT AND VICE-PRESIDENT'S MESSAGE

My Fellow Students:

This past year at Stratford was full of challenges and changes, and I'm happy to see we all pulled through okay. Nothing could have been obtained without the support of Student Council and the Student Body. To the grade sevens and eights, I wish you continued success in your future years at Stratford. To the grade nines, I wish you all the best of luck in your future years of high school. May you all succeed in your future endeavors.

Stratford has supplied me with many memories and life-time friends. I hope to see you all again one day.

Hasta la Vista - Until we meet again.

Jessica Benjamin
President

Mr. Davidson, Teachers and Fellow Students:

This year has been a very successful and exciting year for Student Council. A number of activities were planned and successfully executed, including dances, Mac Attack Days, Challenge Cup activities and many other interesting and entertaining events. The success of these many events was due to the cooperation and participation of an energetic School Body.

I had a very good year at Stratford Junior High School, made even better by the opportunity to be involved in Student Council and shall not easily forget my years here.

I wish you all the best in the years to come and wish you all a good summer.

Steven Blackman
Vice President &
Grade 9 Rep.

Activities

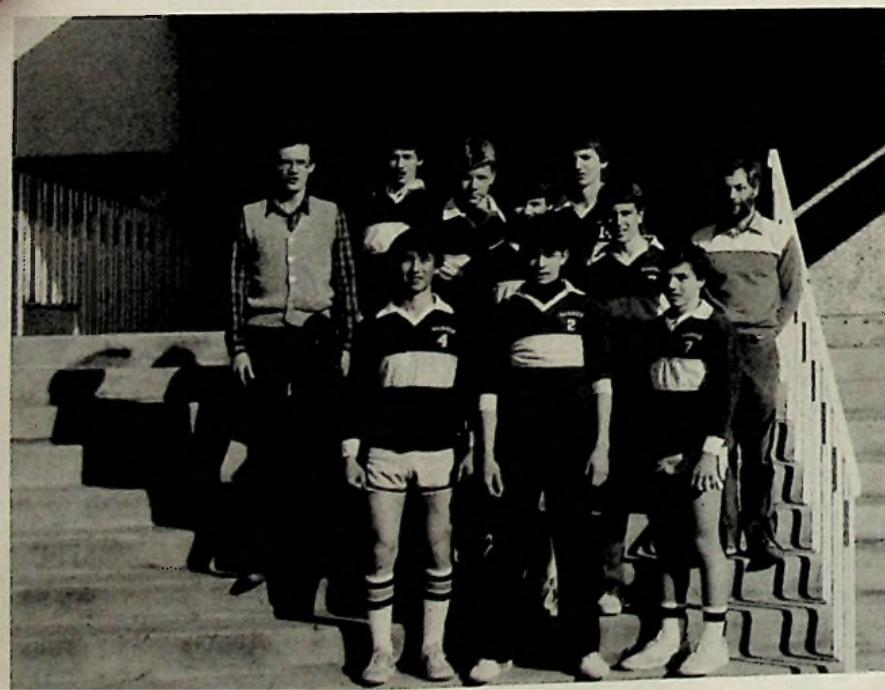

A large, bold, black, cursive-style number '1985' is overlaid on a background of numerous smaller, faint, gray '1985' text elements arranged in a grid pattern. The background text is oriented at a 45-degree angle, creating a sense of depth and repetition. The large black '1985' is positioned in the lower-left quadrant of the frame, while the smaller gray text covers the entire background.
